Paneltape

Double sided HDPE adhesion

HEALTH & SAFETY

Product Safety Data Sheet must be read and understood before use. These are available on request and via our websites

WARRANTY & GUARANTEE

Bostik warrants that its product complies, within its shelf life, to its specification.

PRODUCT DESCRIPTION

Zwaluw Paneltape is a double sided HDPE adhesion and spacer tape for panel bonding.

KEY BENEFITS

Provides initial bond between panel and surface
Correct dimension for optimum curing of the Zwaluw Paneltack
Flexible behaviour to absorb minor irregularities in the surface

APPLICATIONS

Zwaluw Paneltape can be used for flashing gutters, bay windows, and in between walls and extensions. Zwaluw Paneltape bonds instantly to most surfaces. It is easily applied in the required shape. The foil is weather resistant and has high tear resistance.

SHELF LIFE

Storage between +5°C and +25°C and in shaded conditions.
Shelf life is 24 months when stored as recommended in original unopened packaging.
