PRODUCT DESCRIPTION

Bostik H560 SEAL'N'FLEX ALL WEATHER is a professional low modulus hybrid sealant for construction and dilatation joints. **Bostik H560 SEAL'N'FLEX ALL WEATHER** fulfil BREEAM specifications mentioned in chapter 'Health and Wellbeing', Hea 02 Indoor Air Quality, regarding volatile organic compound (VOC) emission levels (products).

APPLICATIONS

Bostik H560 SEAL'N'FLEX ALL WEATHER is specifically developed as a low modulus sealant for construction and dilatation joints for interior and exterior use. **Bostik H560 SEAL'N'FLEX ALL WEATHER** is particular suitable for high rise buildings and fenestration applications.

DIRECTIONS OF USE

A joint with the correct dimensions is able to absorb movements between building materials. The joint depth should always be in the correct relationship of the joint width. A general rule is the ratio of joint depth to the width of the joint with a joint width up to 10mm is 1:1, with a minimum of 5mm in width and depth. For joints wider than 10mm, the depth is the width divided by 3 plus 6mm.

SURFACE PREPARATIONS AND FINISHING

Application temperature + 5°C to + 40°C (applies to environment and substrates). All substrates must be solid, clean, dry, and free of grease and dust. Clean substrates with **Bostik T100 UNIVERSAL CLEANER**. **Bostik H560 SEAL'N'FLEX ALL WEATHER** adheres perfectly without the use of a primer to most non porous substrates. Porous substrates to be pre-treated with **Bostik T300 UNIVERSAL PRIMER**. Always test adhesion prior to application. Use **Bostik T500 FINISHING SOAP** to smooth the joint.

PAINTABILITY

Bostik H560 SEAL'N'FLEX ALL WEATHER is paintable with water based and most 2 component paints. Synthetic paints can dry slower. We recommend testing compatibility with paint prior to application. If **Bostik H560 SEAL'N'FLEX ALL WEATHER** is being painted over (not necessary), we recommend slightly sanding the sealant and the junction surfaces prior to use with Scotch-Brite. For the best results, we recommend painting within a few days of application.
