

# Project Spotlight

HYDE NIGHTCLUB SELFIE STUDIO

BELLAGIO RESORT – LAS VEGAS, NV

### ARCHITECT:

MGM Resorts International  
Las Vegas, NV

### GENERAL CONTRACTOR:

Team Construction  
Las Vegas, NV

### TILE CONTRACTOR:

T. Nickolas Company  
Las Vegas, NV

### SETTING MATERIAL:

**Bosti-Set™**  
Thin Porcelain Tile Adhesive &  
Sound Reduction Membrane

### SETTING MATERIAL:

**Dimension® RapidCure™**  
Glass-Filled, Pre-mixed,  
Urethane Grout

### CHALLENGE

- Update Bellagio Resort's Hyde nightclub to appeal to Millennials
- Convert former retail space into a "selfie studio" with unique, memorable mural
- Minimize impact to business operations – a quick return to service with minimal dust and debris inside the venue

### SOLUTION

Bostik sponsored an international mosaic tile design competition:  
**2017 Design 'N Gather – www.designngather.com**

- Artaic turned the winning design into a backlit panel with glass mosaic tiles
- Bostik's translucent Dimension® RapidCure™ grout used for a stunning visual
- Crossville's Laminam® thin porcelain tile panels (1m x 3m x 3.5mm) for clean aesthetic
- Bostik's Bosti-Set™ for panel installation:
  - Faster installation with 0 VOC & almost no odor
  - No dust, water, mixing, electricity needed during installation
  - 80% less weight than mortars

### RESULT

- Refined, high-end space with sleek walls with few grout joints
- Enhanced durability and acoustics
- Very quick return to service with minimal disruption

### CUSTOMER TESTIMONIAL

**Dennis Laucht, Superintendent at T. Nickolas Company:**

*"We were so impressed with Bosti-Set™. We discovered that per square foot, the overall installation of Crossville's Laminam® with Bosti-Set™ was **less expensive than traditional mortar**, as the product only had to be back-buttered one time on the panel or the wall... but, not on both! **This saved a tremendous amount of time**, was **less strenuous on our installers**, **minimized dust and other debris** in the work area, and resulted in a far more durable installation. Bosti-Set™ even added sound dampening characteristics to the new wall assembly. Overall, a great experience. **We will be using the Bosti-Set™ method again!**"*
