NEW LAYOUT SMART AND EYE CATCHING

NEW FLOORING RANGE

So Smart!

NEW NAMES LOGICAL AND EASY TO UNDERSTAND

The new names come in three parts. The first corresponds to the market segment, the second part expresses the technology and the quality level and the last the product characteristic...

FOR ALL YOUR NEEDS

With the Bostik flooring range you get multiple systems which answer all of the technical requirements an installer may face on a jobsite.

STIX A800 PREMIUM

MARKET SEGMENT
