Any addition or other modification to this Contract or in quantities, prices or deliveries which are contained in any acknowledgment, invoice or other form or communication from Seller is hereby objected to and expressly rejected, notwithstanding Buyer's acceptance of delivery or payment. If this offer is not accepted within the time specified, or if no such time is specified, within thirty (30) days of the date of this Contract, then the offer shall be deemed withdrawn unless Buyer extends such expiration date.
- 2. PRICE AND PAYMENT** All amounts which become due Seller shall be subject to set off and recoupment. Payment shall not constitute acceptance of goods or services or waiver of any claims related thereto. If Seller shall quote or sell at lower net prices similar goods under similar provisions and in similar quantities, such lower prices will be substituted for the prices specified herein. If Buyer can purchase goods of like or lesser quantity at a price which will result in a lower delivered cost to Buyer or on terms otherwise more favorable to Buyer, then Buyer may notify Seller of such lower delivered cost or more favorable terms and Seller shall have an opportunity to reduce the price hereunder or change the other terms hereof to meet such lower delivered cost or more favorable terms. If Seller fails to do so, in writing, within thirty (30) days of Buyer's notice, Buyer may purchase the goods at such lower delivered cost or at such more favorable terms, and the quantity of any purchase so made shall correspondingly reduce the purchase and sale obligations of Buyer and Seller hereunder.
