WE'RE COMMITTED TO BUILDING A BETTER TOMORROW

BOSTIK

A GLOBAL LEADER IN ADHESIVE TECHNOLOGIES

Our smart adhesive systems are used globally in the construction of new buildings and refurbishment projects. Bostik offers solutions for flooring, tiling, waterproofing, sealing, decoration, assembly and insulation.

Our customers come from diverse markets, most notably the industrial manufacturing, construction and consumer sectors.

CONSTRUCTION SOLUTIONS ►

The construction industry's most comprehensive and innovative range of professional grade adhesives used by millions of architects, specifiers and contractors across the world.

As a leading global specialist in adhesive and sealant manufacturing, we strive to continuously move the market forward by delivering next-generation products which offer superior performance while meeting the latest international and local building codes and environmental standards.

Bostik professional products are used globally on a wide range of projects including:

Hotels

Sports Venues

Theatres

Government Buildings

Retail Outlets

Corporate Centers

Manufacturing Facilities

... and many famous buildings and structures, landmarks and attractions.

Product lines featured in our construction adhesive range include:

Waterproofing

Fire
Protection

Flooring
Adhesive

Tiling
Adhesive

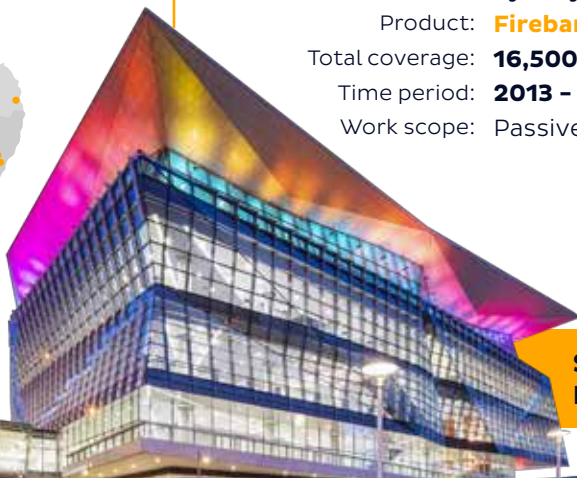

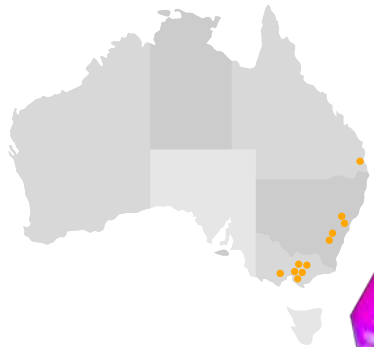

AUSTRALIA

Bostik Australia provides adhesive technologies across a wide range of sectors, from construction and schools, to hardware and industrial businesses. Many of the products used on commercial builds are produced locally.

CONSTRUCTION SOLUTIONS ▶

Smart adhesives are everywhere. For the Construction market, they are used to build or renovate the buildings where we live and work. Whether they're under the floors, behind the walls or used in the building's structure, it's almost certain a Bostik adhesive is close by.
