Adhesive solutions by **ARKEMA**

# Extreme fast setting crystal clear power adhesive

CRYSTAL CLEAR  
HIGH STRENGTH  
UNIVERSAL USE

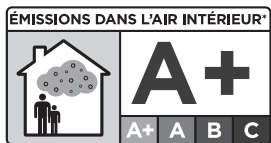

# Your go-to solution for **fast & crystal clear** **powerful bonding** results

**Bostik H915 Supergrip Turbo Clear is a crystal clear fast setting hybrid based power adhesive having a green-grab and a quick strength build-up feature. This solvent and isocyanate-free power adhesive sets in minutes and obtains a high end strength within the first 20 minutes. It also provides a vibration- and shock-resistant, weather-resistant elastic bonding solution.**

Bostik H915 SUPERGRIP TURBO CLEAR is your go-to solution for fast, high-strength bonding across a wide range of building materials. Engineered for exceptional performance, this adhesive excels in vertical applications, effortlessly securing heavy items like brick, stone, and ceramic tiles. It delivers outstanding adhesion to a variety of surfaces, including PVC, metal, wood, polyurethane, steel, aluminum, stone, glass, and mortar.

Bostik H915 SUPERGRIP TURBO CLEAR is ideal for both interior and exterior projects. Whether you're working on roof tiles, skirting boards, decorative panels, siding materials, or plasterboard rails, this powerful adhesive ensures a secure and durable bond, making it an essential product for any building or renovation project.

\*Information sur le niveau d'émission de substances volatiles dans l'air intérieur, présentant un risque de toxicité par inhalation, sur une échelle de classe allant de A+ (très faibles émissions) à C (fortes émissions).

## BENEFITS

- Green-grab
- Extreme fast setting (20-30 min) and quick strength build-up
- High mechanical strengths
- Cost saving due to thin adhesive layer of 2 mm
- Adheres perfectly to a wide range of building materials, even to damp surfaces
