DEHUMIDIFIER

BREATHE DEHUMIDIFIER UNIT

Coverage	Color	Carton Qty	Code	Barcode
Up to 25m ²	Natural	6	30624757	5010591014398

Bostik Breathe is a small, silent, air dehumidifier, designed to absorb excess moisture in your home. It's suitable for all internal humid spaces, including bathrooms, bedrooms and kitchens, as well as within wardrobes and cupboards.

The Bostik Breathe moisture absorber uses both dye-free and fragrance-free tablets. Plus, it's reusable and largely made up of recycled materials.

Breathe is a non-electric dehumidifier so is super simple to install. It can hold two of our moisture absorber tablets, which provides up to 33% more absorption than a standard moisture absorber that only contains one tablet.

The two-tablet system is also adjustable depending on the room size, with one tablet covering smaller spaces, and two tablets covering an area of up to 25m².

- ✓ An interior dehumidifier for all humid areas in the home.
- ✓ Two-tablet system provides up to 33% more absorption than a single tablet system.
- ✓ No colouring, no perfume.
- ✓ Contains recycled plastic, food industry waste and recycled cardboard.
- ✓ No electricity required.
- ✓ Compatible with our moisture absorber refill tablets.
- ✓ Refills last up to 4 months depending on the humidity level in the area.
- ✓ Features a large 1.2L tank.

Arc Frostproofers and Rapid Hardener is a chloride-free, concentrated liquid admixture for concrete and mortar which rapidly accelerates the setting and hardening times of cement mixes. Arc Frostproofers and Rapid Hardener produces a more dense concrete which improves the oil and water resistance of the mix. When mixed neat with Portland Cement it can be used to plug holes caused by pressure leaks. The admixture will also increase the workability of the mix so a separate plasticiser is not required. Made in Ireland.
