## VOC STATEMENT

19 December 2017

At 28<sup>th</sup> of October 2013 Eurofins Product Testing received a sample of **Nibofloor PK Eco** for VOC emission testing.

In a period of 28 days from 30<sup>th</sup> of October 2013 and until 27<sup>th</sup> of November 2013 Eurofins tested the sample for emission testing.

The emission test was performed according to the details given in report 392-2013-00076201rev.

The emissions from the sample are evaluated according to relevant German AgBB/DIBt method at the time of testing.

Eurofins Product Testing A/S has December 2017 evaluated the results according to existing Belgian VOC regulation.

**The tested product Nibofloor PK Eco is in compliance with the Belgian VOC regulation – Royal Decree C-2014/24239 and the limit values in this.**

The performing laboratory is ISO 17025 accredited.
