

FLOORING. BY BOSTIK

bostik.com.au

A SOLUTION FOR EVERY JOB

Bostik has been offering end to end product and service solutions to the Australian flooring market for decades. Our Prep, Seal, Stick product system encompasses floor preparation, a wide range of adhesives as well as the application tools to match these applications.

As timber flooring trends and technologies have evolved Bostik's never-ending emphasis on quality, product innovation, customer service as well as our Australian based manufacturing capabilities has remained the same. These attributes together has seen Bostik cement its market leading position as a solutions provider to the flooring sector for many years.

FLOOR PREP

ULTRA SEAL

- Easy 1:1 mixing ratio (by volume)
- Grey coloured epoxy applied with brush or roller

MOISTURE SEAL

- Withstands hydrostatic water pressure up to 25m or 250kPa
- Two-part epoxy
