FILLERS

Fill-A-Gap

Economical, paintable, gunnable, general purpose acrylic gap filler / sealant. Easy to use and provides excellent adhesion for gaps and cracks, and other low-movement joints. Master Painters NZ tested and approved. Made in NZ.

CODE	COLOUR	SIZE	CARTON
30804014	White	300ML	20

Kwikpaint Glazing Putty

From glaze to paint within 12 hours! Fast drying, exterior grade, self-priming, wrinkle-resistant glazing compound for use in timber or steel frames with most glass types.* Takes oil and water-based paints. Won't shrink or crack over time. Non oily, easy to use. Master Painters NZ tested and approved. Made in NZ.

CODE	COLOUR	SIZE	CARTON
30607187	White	700G	10

** Special glass such as double-glazed, heat absorbing or ceramic enamel glass should be glazed according to manufacturer's recommendations).*

Tradesman's Filler

Bostik Tradesman's Filler is a multipurpose ready-mixed, high quality compound for filling gaps and cracks in timber, concrete, plaster and stone. Paintable and easy to sand, it may be used for an interior or exterior finish, and provides excellent water resistance with minimal shrinkage.

CODE	COLOUR	SIZE	CARTON

ABOUT US

For more than a century, Bostik has been developing innovative adhesive, filler and sealant solutions. As the world evolves so do we. Continuous innovation is a priority for Bostik. Bostik has more than 400 chemists and technicians worldwide who are constantly focused on designing cost-effective solutions to help our customers improve the performance of their products and the productivity of their processes, while maintaining priority on easy and safe handling as well as minimising cost and environmental impact.

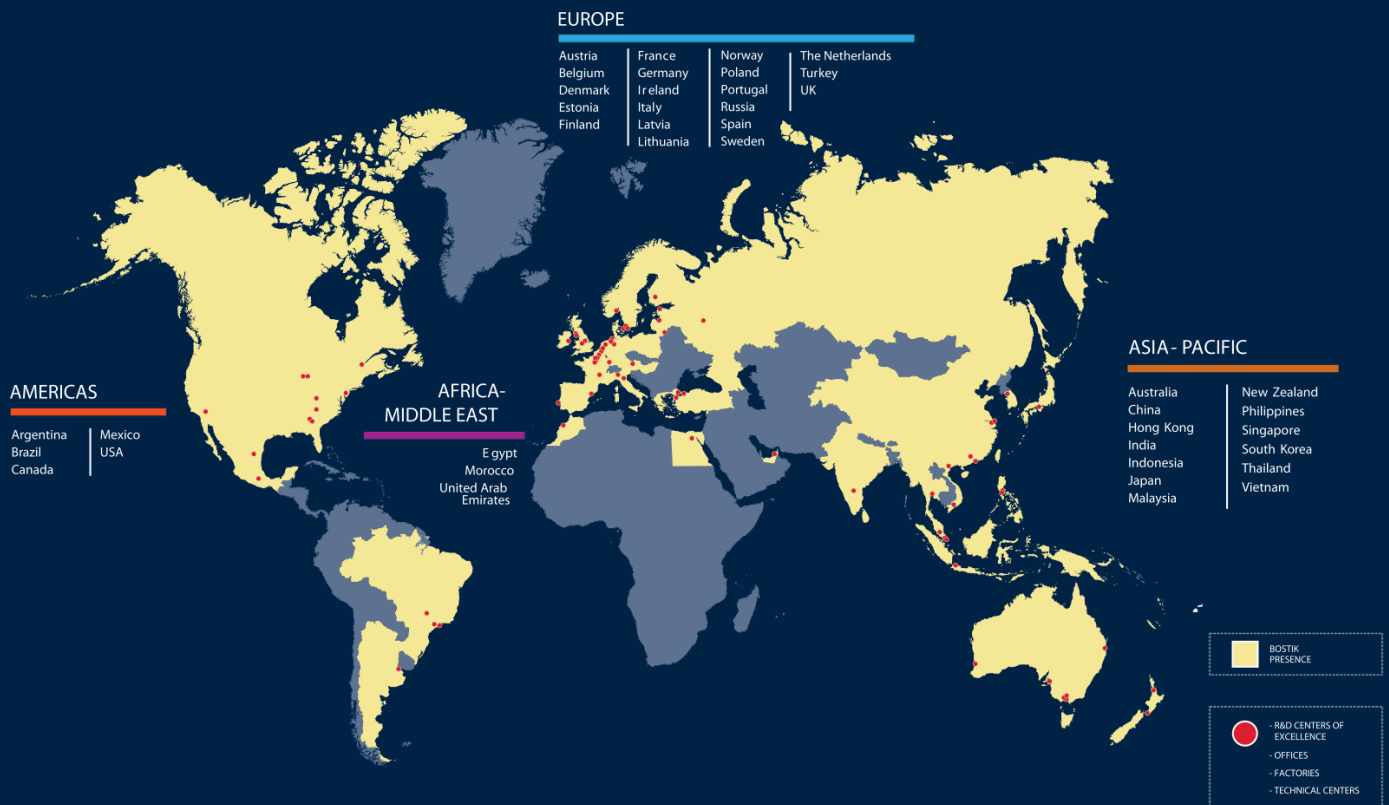

Our strong local development team has the backing of the global organisation. With this dual strength, Bostik is at the forefront of adhesive and sealant technology, and has the ability to quickly deliver innovative solutions.

Bostik NZ has a great range of paintable fillers and sealants, as well as cleaning products ideal for use prior to and after painting. Several of these paint-related products are Master Painters NZ tested and approved, and made in New Zealand.

We are committed to producing these products economically, safely, and of consistently high quality.

If you have any queries regarding the products featured in this catalogue, please contact Bostik NZ Ltd.
