

DECORATION & PAINT

Time saver!

IMMEDIATELY OVER PAINTABLE DECORATOR'S FILLER

Bostik Instantly Paintable A980 is a high quality filler specifically developed to be painted over immediately after application. For sealing and filling internal seams, holes and cracks.

- Paintable with water based and oil based paints
- No paint discolouration with minimal risk of crazy cracking
- Good adhesion without primer, even on slightly damp substrates
- Easy to clean and apply, almost odourless, non-corrosive on metals
