COOL BACK TO SCHOOL CRAFT IDEAS FROM BOSTIK...

Another year has flown by ... and just as we recover from the Festive Season, so we are faced with the reality of going back-to-school! Bostik have put together some fabulously creative craft ideas to help you through the last few itchy days of the hols – all that's required is a little imagination, time and Bostik's innovative adhesive range to ensure that the school year gets off to a running start.

Personalised Desk Pad

Create a unique desk pad for your desk at home or school by using picture cut outs from your favourite magazines.

What you need:

- Bostik Glue Stick
- Bostik Art & Craft Sprayable Adhesive
- A large piece of cardboard
- Magazine cut outs
- A pair of scissors

How to make it:

- Cut out pictures from your favourite magazines
- Using your Bostik Glue Stick, draw a glue-border around the edges of each picture and press gently onto the cardboard to create a collage.
- Once your collage is done, spray your card with Bostik Art & Craft Sprayable Adhesive and set aside to dry
