### **EGGS-CITING EASTER EGG POT-PLANTS**

Make these eggs-citing Easter egg pot-plants for the Easter table or mantelpiece – it's sure to be a hit!

#### **You will need:**

- Bostik Bling Bitz
- Bostik Glitter Bitz
- Bostik Clear Gel Adhesive
- Bostik Prestik
- Bostik Blits Stik Super Glue Gel
- 6 small terracotta pots
- 6 Polystyrene eggs
- Ribbon, green tinsel, paper or foam letters
- Coloured sticks or straws

#### **How to make them:**

- Set aside 6 small terracotta pots and glue on your Easter letters with Bostik Clear Gel Adhesive.
- Decorate the rims with the new Bostik Glitter Bitz and fill the pots with green tinsel.
- Now paint your polystyrene eggs with poster paint and set aside to dry.
- Then decorate with diamanté, stars and hearts from the Bostik Bling Bitz wheel, using the craft glue in the centre of the wheel.
- Once done, insert a stick or straw into the bottom of each egg and secure with Bostik Blits Stik Super Glue Gel.
- Position and secure each straw or stick into the pots with a blob of Prestik.
- Now make and stick little bows of coloured ribbon onto the bottom of each egg with Bostik Clear Gel. Add to the Easter table and you're guest-ready!
