Don't just stick it. Bostik it.

BACK TO SCHOOL FUN...WITH BOSTIK

DESK TOP ALIENS

Create fantasy figures with Bostik Crazy Clay using your favourite colours.

What you need:

- Bostik Crazy Clay
- Bostik Bling Bitz
- Bostik Glitter Bitz or Bostik Glitter Glue pens
- Bostik Blits Stik Super Glue Gel
- Large & small paper clips

How to make:

- Glue wiggly eyes (make these by sticking eyes from your Bling Bitz wheel onto a tiny ball of white Crazy Clay) onto straightened paper clips and then stick them into the alien's head.
- Straighten a large paper clip and curl one end into a spiral, so that it can hold a note or a photograph in place, and push the other end into the top of your figure.
- Allow the figures to dry, and then decorate with Bostik Bling Bitz, Bostik Glitter Bitz or Bostik Glitter Glue pens.
