**KEY FEATURES**

- Excellent cold temperature performance
- Excellent adhesion to polyolefin substrates
- Very good processability

**DESCRIPTION**

H2259-01 has a low viscosity with good die-cutting. H2259-01 is light in color, with excellent bonding to polyolefin substrates and paper with application temperatures down to -15°F.

**PACKAGING**

For packaging options please call your Bostik sales or technical representative.

**SHELF LIFE**

Can be stored 730 days in a clean dry place, in its original package at an average temperature of 25°C or below. Storage temperature should not exceed 40°C.

**STORAGE & HANDLING**

Wear safety gloves and goggles when handling molten adhesive to minimize the risk of burns.

**COUNTRY OF MANUFACTURE**

United States

**CLEANUP PROCEDURE**

Mineral oil or paraffin wax are recommended for cleanup but should not be used at temperatures that exceed the flash point as stated on the SDS. This procedure should be followed by a thorough purge with the adhesive.

**BASIC USES**
H2259-01 is used for freezer grade labels and tapes used on common packaging substrates used in freezer conditions.

**HEALTH & SAFETY PRECAUTIONS**
The Safety Data Sheet should be consulted for proper handling, clean up and spill containment before use. Keep containers covered to minimize contamination.

**LIMITED WARRANTY**
The Limited Warranty for this product can be found at www.bostik-us.com/resource-center/warranties or by calling 1-800-726-7845 (choose option 2, then option 2 again). To the maximum extent allowed by law, Bostik disclaims all other express or implied warranties, including without limitation warranties of merchantability and fitness for a particular purpose. Unless otherwise stated in the limited warranty, the sole remedy for breach of warranty is replacement of the product or refund of the buyer's purchase price. Bostik disclaims any liability for direct, incidental, consequential, or special damages to the maximum extent allowed by law. Disclaimers of implied warranties may not be applicable to certain classes of buyers and some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations may not apply to you. It is the buyer’s obligation to test the suitability of the product for an intended use prior to using it. The Limited Warranty extends only to the original purchaser and is not transferable or assignable. Any claim for a defective product must be filed within 30 days of discovery of a problem, and must be submitted with written proof of purchase.
